J-1 STUDENT FAMILY HEALTH INSURANCE COMPLIANCE FORM

J-1 students must submit this form for any J-2 dependents who are accompanying them in the United States.

Federal regulations require all J-1 Exchange Visitors and their J-2 dependents to maintain comprehensive medical insurance meeting specific minimum requirements from the start date of the J-1 program (indicated in item 3 of the DS-2019) and continuing to the end of the J-1 program. J-1 students are automatically enrolled in the CSU student health insurance plan, which meets all the J-1 requirements. However, their J-2 dependents are not eligible to enroll in the CSU student health insurance plan (unless the J-2 dependent is also enrolled as a CSU student.) As per the regulations, CSU is required to terminate the SEVIS record of any J-1 student whose J-2 dependents do not maintain the appropriate health insurance for the duration of the program.

22 C.F.R. §62.14 describes exchange visitor health insurance requirements as follows:

- Medical benefits of at least \$100,000 per person per accident or illness;
- Repatriation of remains in the amount of \$25,000;
- Expenses associated with the medical evacuation of exchange visitors to his or her home country in the amount of \$50,000; and
- Deductible not to exceed \$500 per accident or illness.

Insurance policies secured to fulfill the requirements:

- May require a waiting period for pre-existing conditions that is reasonable as determined by current industry standards;
- May include provisions for co-insurance under the terms of which the exchange visitor may be required to pay up to 25% of the covered benefits per accident or illness; and
- Must not unreasonably exclude coverage for perils inherent to the activities of the exchange visitor's J-1 program.
