• International Student and Scholar Services (ISSS) is here to help you understand your immigration status, rights, and responsibilities.

• It is vital that you understand your immigration status and know your rights and responsibilities.

• Make the most of your immigration benefits while in F-1 status!
FOUR PRIMARY IMMIGRATION DOCUMENTS

Passport: Issued by home country

U.S. Visa: Permission to enter the U.S.

I-94: Arrival and Departure record

I-20/DS-2019: For F-1 students and their families
REMINDERS

• Be sure to keep all documents in a secure place

• You do not need to carry them with you at all times as long as you have a picture identification card

• Retain all I-20s for your records, but present the most recent one when travelling
1. PASSPORT

• Your passport should be valid for at least 6 months into the future. **DO NOT** let your passport expire while in the U.S.!

• You must renew your passport with your home country’s embassy or consulate a minimum of 6 months prior to its expiration date.

• Please check your passport’s expiration date now
PASSPORT ARRIVAL AND STATUS STAMP

Each time you enter the United States, Customs and Border Protection will stamp and notate your passport with:

**Date of Entry**

**Status**
- F1 (student) or F2 (dependent)

**Expiration**
- D/S = Duration of Status
2. U.S. VISA

- Think of your visa as your “ticket” to enter the country. Renewal is only permitted outside of the United States.

- Unlike your passport, your visa CAN expire while you are in the U.S. as long as your passport, I-94, and I-20 are valid.

- Length and number of entries varies by country.

- Let’s review the visa type, number of entries, and expiration listed on your U.S. visa now.
U.S. VISA

Check that your passport number is correct.
Check that your name is spelled correctly.
Where your visa was issued.
Check that your date of birth is correct.

Issuing Post Name: SEOUL
Country: KOR
Traveler Given Name: HAPPY
Passport Number: 12345678

Entries: M
Issue Date: 08APR2003
Expiration Date: 07APR2013

F-1

THIS IS A SAMPLE MRV AND IS NOT VALID FOR TRAVEL.

"M" means that you can seek entry into the U.S. multiple times. If there is a number here, you may apply for entry that many times.

"Annotation" may include additional information about your visa. For example, on a student visa, it will show your SEVIS number and name of your school.

"Expiration Date" is the last day you can use your visa to seek entry into the U.S. It has nothing to do with how long you may stay in the U.S. See "What is a Visa?"

Should be marked F-1 or J-1
3. I-94 NUMBER ARRIVAL AND DEPARTURE RECORD

• Form I-94 is located by logging onto the Customs and Border Protection website at: https://i94.cbp.dhs.gov/I94/#/home

• You will print it if you apply for a social security number, a driver’s license and/or employment authorization.

• When you log into your I-94 number, check to be sure it has the following notation: F-1 and D/S

If you cannot locate your I-94 number, contact our office for assistance.

  - Change status
  - Extend your academic program
  - Add or remove dependents
  - Apply for off-campus employment authorization

- A valid I-20 is necessary to enter and remain in the U.S.

CONCURRENT ENROLLMENT

• Registering for courses at another school
• Minimum of 6 credit hours must be taken at CSU
• Must be approved by ISSS before enrolling at another university/college
CONCURRENT ENROLLMENT FORM

An F-1 student may be enrolled in two different schools at one time as long as the combined enrollment amounts to a full-time course of study. This is referred to as "concurrent enrollment." The concurrent enrollment provision requires the school from which the student will earn his or her degree or certificate to issue and maintain Form I-20, to handle all SEVIS and other reporting requirements, and to ensure that the student is pursuing a full course of study. On-campus employment can only be at the school listed on the I-20. Students are expected to take at least 6 credits at CSU.

Section A (to be completed by the student):

Student's Name: ___________________________ CSU ID Number: ___________________________

Email Address: ___________________________ Phone Number: ___________________________

Semester in which the Concurrent Enrollment will take place: ___________________________ Year: ___________________________

My reasons for enrolling in another university in addition to CSU are:

________________________________________________________________________

Have you had concurrent enrollment before?  [ ] Yes  [ ] No  If yes, please list semester(s): ___________________________

List the names and credit hours for all the classes you intend to take at CSU and all the classes you intend to take at another university:

Colorado State University: ___________________________ Name of other School: ___________________________

________________________________________________________________________

I certify that the information listed above is correct. I have attached copies of my course registration at CSU and my course registration at the other university. I will submit a transcript from the other university at the end of the semester showing that I completed the course(s) listed above. I understand that failure to do this will result in a hold being placed on my student account.

• It is crucial that you keep your mailing address on RamWeb up-to-date.

• Check your CSU email regularly for correspondence from our office.
OTHER IMMIGRATION RESPONSIBILITIES:
ACADEMICS

• You must make “normal progress” toward completing your academic program

• PROGRAM EXTENSION: If you are nearing your I-20 program end date, you may be eligible to apply for a program extension. This must be done 30 days before the document expires.

• TRANSFER: If you want to transfer to another university, you must contact an International Student Advisor at least 2 weeks in advance.
OTHER IMMIGRATION RESPONSIBILITIES:
END OF PROGRAM

- F-1 students will receive a 60 day grace period at the end of their program.
- F-1 students may apply for OPT, or transfer to a new school, during their grace period.
- During this time, you are not permitted to work.
- If you travel outside of the U.S. during this time, your grace period automatically ends.
- There is no grace period if you do not complete your program/withdraw early.
REQUIRED PROGRAMS

All students must complete **Haven: Understanding Sexual Assault**

Undergraduate students under age 23 must complete **AlcoholEdu**

**Holds will be placed on your student account preventing registration until you complete these**
You MUST be 21 years old for the possession, purchase and/or use of alcohol

You cannot have alcoholic beverages on campus, including residence halls
MARIJUANA LAWS

International Students are subject to Federal Law which overrides State Law

Colorado State Law:
Medical and recreational marijuana is legal; but

Federal Law:
It is illegal to:
Possess, use, buy, or sell marijuana
Transport marijuana from abroad or across U.S. state lines
FEDERAL LEGAL CONSEQUENCES

Inadmissibility
• While in the U.S.:
  Denied approval for adjustment of status
• While outside the U.S.:
  Denied visa stamp and entry into the U.S.

Removability (Deportability)
• Conviction of a drug offense is subject to removal from the U.S.
  Depending on the severity, it can be defined as an “aggravated felony” for drug trafficking which has additional immigration consequences
OTHER LEGAL CONSEQUENCES

University ≠ State ≠ Federal Laws
- Need to disclose even expunged arrests on visa application
- Social media is not private! Be careful what you disclose and who you are associated with, including photos and text messages

Customs and Border Protection:
- Do answer questions
- Don't volunteer information that isn't asked

Police: When interacting with law enforcement, you have the right to remain silent
F-2 DEPENDENTS

• The F-2 spouse and children of an F-1 student may not accept employment.

• The F-2 spouse of an F-1 student may not study full-time, and the F-2 child may only study full-time if the study is in elementary or secondary school.

• The status of the F-2 dependent is contingent upon the F-1 student’s status.
HEALTH INSURANCE

• All international students are required to maintain health insurance and are automatically enrolled in CSU’s Health Insurance Policy each semester.

• If you have a policy that meets or exceeds all of the requirements, you can submit a waiver through CSU Health Network’s Student Insurance office. *

  *This needs to be done no later than the 10th day of classes.*

• More information about this policy and waivers can be found on the CSU Health Network’s website: [http://www.health.colostate.edu](http://www.health.colostate.edu). Your CSU insurance will not be removed from your account until the waiver is approved.
If you plan on traveling outside of the U.S. and are re-entering the U.S., there are several questions to ask yourself:

- Is my passport expiring within the next 6 months?
- Do I have a valid visa to re-enter the U.S.?
- Do I need a travel signature on my I-20?
- Am I returning to CSU after my travels?
- Is my program end date approaching? Will it end while I am outside of the U.S.?
- Do I need a visitor’s visa to enter the country I am traveling to?
You are permitted to work on campus.

Off campus employment needs prior approval from USCIS or your International Student Advisor and is only permitted in certain circumstances.

Working illegally is a serious violation of your immigration status.
EMPLOYMENT: ON CAMPUS

- During the Fall and Spring semesters, you may work up to 20 hours per week on campus.
- During winter and summer break, you may work unlimited hours on campus.
- You must receive a written job offer from an on campus department in order to receive a Social Security authorization letter from ISSS.
- All students will need to apply for a Social Security Number (SSN) before starting to work.
EMPLOYMENT: OFF CAMPUS

- Off campus employment is *very limited* and requires authorization from an International Student Advisor or the U.S. government. There are only three (3) types of off campus employment an F-1 student may apply for (*but authorization is never guaranteed)*:

  1. Curricular Practical Training (CPT)
  2. Optional Practical Training (OPT)
  3. Severe Economic Hardship

- Always meet with an International Student Advisor BEFORE considering an option to work off campus. The application process can take a few weeks to several months.
- There will be CPT/OPT information sessions each semester.

TAXES

• Earnings from employment, including income from assistantships and scholarships, are subject to federal, state, and local income taxes.

• OIP subscribes to a tax assistance software program every year. You will receive an email from OIP with more information by February or March.

• ISSS does not offer tax advice. You must talk with a tax professional for any and all tax questions.
TAXES

• Many countries have tax treaties with the United States that can lower the tax amount withheld from your paycheck, assistantship, or taxable scholarship.

• To find out if you are eligible for any tax treaty benefits, make an appointment with the Foreign National Tax Administrator in the Business and Financial Services Office prior to November.
  
  Address: 555 S. Howes St. Fort Collins, CO 80525
  Phone Number: 970-491-3538
  Email: bfs_foreigntax@mail.colostate.edu
SOCIAL SECURITY NUMBER (SSN)

• You cannot qualify for a Social Security Number (SSN) unless you have a job

• Submit a SSN letter request to the ISSS office (wait at least 7-10 days after your immigration check-in)

• If you transferred to CSU from another U.S. institution, bring your “transfer pending” and “continued attendance” I-20 with you to the Social Security Administration

Keep your Social Security card in a safe location and never share your SSN with anyone other than employers and official government/financial institutions.
DMV CONSIDERATIONS

- If you plan to drive while you are here in F-1 status, you must apply for a Colorado driver’s license. You cannot use an international driver’s license if you will be here for longer than 90 days (wait 7-10 business days after your immigration check-in to apply).

- A Colorado driver’s license cannot be used for federal ID.

- If you transferred to CSU from another U.S. institution, bring your “transfer pending” and your “continued attendance” I-20 with you to the Division of Motor Vehicles (DMV).

- If you don’t want to drive, try taking the bus or biking! Fort Collins is very bike friendly 😊.
AVOIDING IMMIGRATION SCAMS

• Scams have gotten more sophisticated so be cautious
• USCIS will not call or email you to ask you for money
• If you are unsure, contact the ISSS office to ask about anything suspicious
• If it is outside business hours, wait to ask ISSS before you give out any personal information. Being told it can’t wait is an indication of a scam.
• AMBER alert is an emergency broadcast system used in the U.S. to locate missing children. Do not be alarmed if you receive these on your cell phone.
LOST PASSPORTS

• If you lose your passport on CSU campus, immediately report it to the CSU Police Department (CSUPD).
• It usually takes less than 15 minutes
• If you find it after you've reported it, just let them know. There will not be any negative consequences for this.

If you lose your passport off-campus, file a lost report at the nearest police department. Police in the U.S. take pride in helping people and keeping us safe.
